

## Recycling Program Return Instructions

Thank you for participating in the Cell Phone Recycling Program.

This program is free, simple and easy. It is an ongoing way to improve the environment while helping raise additional funds for charity or your company.

The Wireless Alliance accepts all cell phone makes and models, accessories, batteries, and chargers. We maintain a "zero-waste" facility and adhere to all local and state environmental guidelines.

### FedEx Ground Instructions

- When the box is full, seal box edges securely with shipping tape.
- Call FedEx Ground at **888-777-6040** to schedule a pickup.  
(Specify **shipper number 1338447** and that you have a 'PRP' or pre-paid return label)

### UPS Instructions

- When the box is full, seal box edges securely with shipping tape.
- Give the package to any **UPS Driver** making a regular pickup or delivery.
- Drop off at any authorized shipping outlet that accepts **Authorized Return Service** packages.
- Go to [www.ups.com](http://www.ups.com) to use the USP '**Drop-off Locator**' feature or call 1-800-PICK-UPS for the nearest Return Service drop-off location.

For questions regarding the program or for additional collection materials, please call us Toll-Free at 866-366-5791 or visit [www.TheWirelessAlliance.com](http://www.TheWirelessAlliance.com).

Thank you for recycling.

Printed on 100% post-consumer paper

## **The The Wireless Alliance, LLC EH&S Policy:**

*We at The Wireless Alliance, LLC accept environmental responsibility for our activities and processes. We are committed to sound environmental practices and the prevention of pollution with the aim of attaining our environmental targets and objectives.*

*The Wireless Alliance, LLC is committed to the prevention of workplace injuries by adherence to the appropriate guides and regulations established by OSHA.*

*The Wireless Alliance, LLC adheres to a policy for managing used and end-of-life electronic equipment that is based on a "reuse, recover, dispose" hierarchy of responsible management strategies.*

*The Wireless Alliance, LLC and its personnel are committed to complying with the applicable environmental requirements of the relevant legal authority, as well as the industry and any additional requirements to which the company subscribes; including the ISO 14001 Environmental management systems - Requirements with guidance for use, and the Responsible Recycling (R2) Practices.*

*Furthermore, The Wireless Alliance, LLC is committed to the review and continual improvement of our EH&S-MS and activities to minimize impact on the environment.*

*This policy is to be communicated to all persons working for, or on behalf of, The Wireless Alliance, LLC*

*This EH&S-MS Policy is established by the Top Management of The Wireless Alliance, LLC and approved by the President through the Management Review Process. (August 2011)*
